

## Important Information

The Deutschlandstipendium is financed half by private sponsors and the other half by the government. The scholarship does not interfere with BAföG funding.

A legal claim of the allocation of the Deutschlandstipendium is impossible. You will find the selection criteria and more details about the selection procedure in §5 par. 6.

Information regarding exclusion of the scholarship are listed in §9 of the constitution from 25 of May 2011 "Satzung der Universität Rostock über die Vergabe von Deutschland-Stipendien".

## Information about data privacy

We process personal data, in compliance with the applicable data protection regulations, in particular the State Data Protection Act Mecklenburg-Vorpommern (DSG M-V).

## Statistic/Evaluation anonymization

According to §13 of the Stipendienprogramm-Gesetzes (StipG) we are committed to convey scholar data to the "Statistische Landessamt", in order to create federal statistics. Therefore they use pseudonym and no names.

## Contact to sponsors

Sponsors of the Deutschlandstipendium set great value upon getting to know the scholarship holder they fund. Often they would like them to attend events or offer them internships. This contact is only possible when you agree on sharing your data with your sponsor. But this decision is up to you. Please keep in mind, that you sponsor will take part in the decision of a possible extension of your scholarship
