- Supporting the accounting function with its day-to-day business transactions
- Maintaining and improving the internal documentation and filing procedures
- Supporting with controlling and account reconciliations
- Support with the preparing and filing of the annual financial statements
- Managing internal group agreements

The successful candidate will:
- Studying business with a focus on controlling/accounting and finance
- Strong analytical and structured thinking skills as well as a hands-on mentality
- You possess a dynamic and highly driven work style and a high goal orientation
- The usage of relevant controlling instruments and common MS-Office programs, especially Excel, don’t pose a challenge to you
- Excellent English communication skills
- German language skills are a plus as you will work with and travel to our German offices

We offer:
- A challenging and varied position with a successful internet start-up from the media industry
- The potential of a full-time finance management job after successful internship completion
- The opportunity to take on responsibilities and put own ideas into action from day one
- The opportunity to work in an experienced and highly motivated team of internet and media experts
- An environment to cultivate innovation and development at a fast pace

Employment Type and Remuneration:
Type: Paid full-time Internship | Duration: 3 months to permanent | Place: Oxford Street, London | Start Date: ASAP
