Company description:
Planet Expat provides career-boosting paid internships in some of the most innovative and dynamic Start-ups in Latin America, Europe and the USA. We connect students with promising start-ups abroad through a program that allows them to gain valuable professional experience in international environments while being key contributors to innovative projects.

We are one of the fastest growing social media startups, based in Madrid and with presence in France and Italy, featuring the world's most advanced big data platform for Social Media Management. Our experience and leadership in the market has also enabled us to build the most complete influencer database.

Job description:
Responsibilities:
Populate the database of Influencers (Spanish and international).
Populate the database of Brands (Fashion, Beauty, Food, Fitness...).
Make sure the information is shared in the database is updated every day.
Make reports about brands and Influencers (monthly)

Required profile:
Student or recent graduate (working hours: part-time or full-time)
Knowledge of all Social Media channels.
English: native or bilingual.
Spanish: native or bilingual.
French, Italian, and any other language: will be highly considered.
