Hanergy Holding Group Ltd. is a multinational clean energy company as well as the world’s leading thin-film solar power company, committed to changing the world by clean power. Established in 1994, the company is headquartered in Beijing and has a total of 15,000 employees.

With our affiliated company Solibro Hi-Tech GmbH, located in Bitterfeld-Wolfen, Germany, we offer our international customers the construction of thin-film solar turnkey facilities equipped with our high standard CIGS technology.

Be part of our trainee program and experience the whole process of transferring our technology from Germany to a big scale turnkey facility in China.

**Engineer Trainee China (m/f)**

*Limited to three years with one year assignment in Germany*

*ID: HT-TKP-02*

**YOUR TASKS**

- Get to know the real production of solar modules at our sister company Solibro GmbH in Bitterfeld-Wolfen
- In a twelve months intensive job training, operators and engineers will show you a full scale production line in Germany which we will then transfer with you to China
- Move to China and be part of the large on-site project team
- Help us ramp-up all equipment and processes at the customer’s premises in China
- Support the equipment check ups and functionality tests on-site
- Transfer your own experience and knowledge to the on-site operators of the customer

**YOUR PROFILE**

- Completed study in the field of physics, chemistry, material sciences, mechanical engineering, business engineering or equivalent engineering sciences
- First professional experience either as an internship, working student or job beginner
- Ideally knowledge of semiconductor, photovoltaics, vacuum coating or larg-scale glass coating
- Basic German, good English and very good Chinese language skills
- Communicative personality
- Willingness to deal with new technology and to acquire new knowledge

**YOUR BENEFIT**

- Excellent job training with the help of a personal mentor in Germany
- International working experience in an intercultural environment
- Comfortable on-site accommodation and attractive compensation scheme

**Have we aroused your interest?**

We are looking forward to receiving your application. Please send us your complete application documents to the human resources department of Solibro GmbH, a company in an affiliated group at Bitterfeld-Wolfen, preferably by email to career@solibro-solar.com. Please contact Anica Straube (+49 3494 3840 93553) for any questions.
