

Module:	<i>Academic Writing</i>
Lecturer:	Prof. Dr. Clemens Cap (Organiser) Dr. Christine Bräuning (Organiser) All Lecturers (Instructing)
Language:	English
Teaching Method:	Own practical work (academic paper) Examples from other participants Feedback by instructor Guided discussions with other participants Optional: Feedback at conference
Credit Points:	1 ECTS
Attendance requirements:	Readiness to provide a short (4 – 8 pages) academic paper for discussion and optionally for presentation
Goals / Skill:	The students will learn and train writing skills as required by a graduate at the Bachelor / Master level, for academic and industrial purposes.
Detailed Content:	Every interested student will get in contact with an assigned lecturer who will coordinate the process. Students who want to acquire a credit point are expected to provide a short written paper to the lecturer for discussion at the slot assigned during the summer school. Presentation of selected papers at the conference is encouraged, depending on the organizational situation.
Media Used:	Text, discussion, feedback
Literature:	Samples and guidelines by the instructors
