Job Announcement

The Max Planck Institute for Demographic Research is seeking

**Student Assistants**

for the Laboratory of Fertility & Well-Being and the Laboratory of Population Health. The call is open to students of all disciplines and levels. Experience with statistical software (e.g., Excel, STATA, R) is highly desirable, and a good command of English is essential.

The tasks include:

- Literature search;
- Compilation of demographic data;
- Management and construction of databases;
- Secondary data analysis;
- Organizational support.

The successful candidates will start working as soon as possible. The initial contract is for 6 months with the possibility of an extension. The number of working hours is max. 8 hours per week. More information on the work of the Institute is available at [www.demogr.mpg.de](http://www.demogr.mpg.de).

The application should include a cover letter as well as a CV with details of your academic studies, grades, and your interests. **Applications received until November 1st, 2021, will receive full consideration.**

Please address your application to Anja Ewald at office-myrsyka@demogr.mpg.de stating application number 9774. We are looking forward to hearing from you!

The Max Planck Society wishes to increase the share of women in areas where they are underrepresented and strongly encourages women to apply. The Max Planck Society is committed to employing more individuals with disabilities and especially encourages them to apply.
