

## Thai Union Ingredients

Thai Union Group is the world's most trusted seafood leader, leveraging its expertise, bringing high quality, safe, delicious and seafood products to customers across the world for over 40 years.

As a company committing to innovation and globally responsible business practices, Thai Union is proud to be the winner of Dow Jones Sustainability Indices (DJSI) 2022. The new business unit, Thai Union Ingredients (TUI), produces nutritional ingredients and focus on valorizing all parts of fish and alternative sources like algal into value-added ingredients.

As part of TUI, Thai Union Marine Nutrients GmbH is concentrating on refining high quality omega-3-oils. Our 2020 built new pharma-grade oil refinery in Rostock, Germany uses state-of-the-art technology, whilst being supported by our Omega-3-Center to guarantee a safe and trusted process for a variety of omega 3 oils.

We are looking for a

## Logistic Intern (m/f/d)

To support our supply chain business, in particular the shipment of crude oil to Germany and from refined oil to our customers worldwide:

*Support in:*
